&ULWHULD IRU WUPD DQWWASHUURTUNAQD PFWHGLW IRU

Coursework must have been completed within 5 years of the term of admission into the graduate program where credit is being transferred.

Graduate-level courses taken while pursuing an undergraduate degree only if these were not used to fulfill requirements for a degree from another institution and these courses required graduate-level work.

Graduate credit may be transferred from other accredited degree-granting universities with graduate degree programs for up to a maximum of 9 credit hours, or their equivalent. For universities on the quarter system, 13 credit hours is the equivalent of 9 semester credit hours. Graduate credit may be transferred from other University of Michigan campuses (Flint or Ann Arbor) for up to half the credits required for the degree.
